

We seek to serve

A resident explains his science project to Fr. Fellhauer.

The ministry of Saint Francis will continue to unfold in grace if we remain servants of Christ – praying, working, and struggling to find the resources to *seek and serve Christ in all people*, and to *respect the dignity of every human being* whom God brings to our care.

Please consider a donation to be used for the treatment of the children, youths, and families that depend on us for health and healing.
